Re: Duke Energy Carolinas, LLC's Notification of filing of Approved Tariffs  
Docket No. 2013-298-E - Order No. 2017-622

Dear Ms. Boyd:

Please allow this letter to provide notice to the Public Service Commission of South Carolina (the "Commission") that, pursuant to Order No. 2017-622, Duke Energy Carolinas, LLC ("DEC") has filed the following tariffs electronically using the Commission's E-Tariff System:

- Residential Service - Smart \$aver Energy Efficiency Program and tariff (formerly known as the HVAC Energy Efficiency Program - Air Conditioning). *Please note:* DEC initially planned to use a new leaf number (168) but decided to keep the same leaf number (155) since the program was renamed and is not a new program.
- Residential Energy Efficiency Appliances and Devices Program and tariff; and,
- Residential HVAC Energy Efficiency Program - Tune and Seal (termination of program).

DEC provided the tariffs to the South Carolina Office of Regulatory Staff for its review in advance of this filing.

If there are any questions about this filing please contact us.

Yours truly,

Frank R. Ellerbe, III
